

## Warranty Request Form WI-3024-1 (Repair)

\*\*All Repair work must have prior written, or email, approval from Cush to be eligible for warranty coverage\*\*

- 1. Refer to Cush Warranty Statements for definition of coverage, exclusions & limitations. Warranties limited by application and age.
- 2. Notify Cush's warranty upon discovery & FAX this form to Cush Warranty Dept. @ 417-724-0126 or email to warranty@cushcorp.com
- 3. If Clam is approved by terms of Cush warranty sheet 2 will be completed and returned to POC with allowances per the WR claim number.
- 4. All warranty work must be performed at a POC location approved by Cush.
- 5. Any unauthorized work or parts purchased for a warranty repair will not be paid by Cush and will delay the processing of the remaining claim.
- 6. Labor allowances and acceptable shop rates will be determined by Cush Corp and must be approved before work begins.
- Wi-3024-1 sheet is to get info for warranty request to Cush, Wi-3024-2 sheet by Cush for warranty allowances and parts tracking.
  \*\*Warranty Review at Cush can't begin until ALL information of this sheet is provided to Cush\*\*
